Dear FCT Friends and Members:

Although we have been unable to have our usual season of shows, Fremont Civic Theatre is still committed to our mission. FCT has been providing the opportunity to learn about and enjoy live theatre for over 70 years and we hope to continue for years to come. During my time with FCT, I have seen a dazzling array of talent emerge from ordinary people right here in Fremont County. Local playwrights, directors, actors, artists, and creators of all kinds and ages have come together to put on some outstanding performances. If you love 'playing' onstage with us, or even just being a part of our wonderful audience, please consider supporting FCT.

Thank you,  
 Mandy Brown, President  
 FCT Board of Directors
